TERMS AND CONDITIONS

1. USE OF MARINA FACILITIES

During the term of this agreement, provided that Boat Owner is not in default, Boat Owner shall have the right to use assigned space in the Marina, subject to the right of all Boat Owners to use such facilities. The Boat Owner acknowledges that this agreement is non-transferable and that the Boat Owner may not sublease the space. The Boat Owner is permitted to use the assigned space only for the Vessel described. If the Boat Owner wishes to change the Vessel occupying the assigned space, the Boat Owner must execute a new dockage agreement with the Marina. The Marina is not obligated to enter into a new agreement with the Boat Owner, but will not unreasonably deny such requests. The Marina reserves the right to increase the rent should the new Vessel exceed the overall length of the original Vessel, but shall not be obligated to reduce the rent should the original Vessel exceed the overall length of the new Vessel. Boat Owner, his family, friends, relatives, crew, invitees, visitors, agents, and servants shall use the space, ramp and the Marina at their own risk.

In the event the Marina is not able, for any reason, to deliver the space to the Boat Owner on the date called for by this agreement, a comparable space will be provided and in the event that a comparable space is not available, the rent shall be abated on a pro rate basis until the space is made available for occupancy.

4. RIGHT TO TERMINATE

The Marina shall have the right to terminate this contract for cause, upon reasonable notice in writing to the Boat Owner. Cause shall include, but shall not be limited to, the breach of any term, condition, covenant or the rules and regulations herein contained. Reasonable notice shall depend on circumstances, and may be dispensed with where an emergency exists and where immediate action appears to be required in the Marina's judgment. If the boat is not promptly removed, the Marina may cause it to be removed and charge the Boat Owner accordingly.

5. CONDITION OF VESSEL

Boat Owner shall at all times maintain and operate the Vessel in a safe, seaworthy condition. Boat Owner shall not at any time permit the Vessel to constitute a fire, explosion or sinking hazard. If, in the Marina's opinion, the condition of the Vessel at anytime creates a safety hazard, the Marina may, but shall have no duty or obligation to, take any actions necessary, without liability to the Marina, to abate the hazard, including without limitation, moving the Vessel to another berthing area at the Marina or removing the Vessel from the Marina or gain entry into the vessel for dewatering purposes or removing the vessel from the water. Should the Marina take any such actions the Boat Owner shall be liable to the Marina to pay the Marina for such services provided, including but not limited to salvage fees or any other costs or attorney fees.

6. WORK PERFORMED ON VESSEL

Personnel from other marinas or service contractors shall not be allowed to perform any work on Vessel without permission from the Marina. Such permission will not be unreasonably withheld from reputable vendors, provided the contractor provides to the Marina proof of sufficient levels of insurance which is a minimum of \$2,000,000 liability Insurance. Said outside contractors must sign in and out of the Marina office, and provide proof of workers compensation or long shore harbor workers compensation coverage. Work shall include but not be limited to original installation or repairs to carpentry, fiberglass, mechanical, plumbing, interior and exterior finishes, electrical, electronics, canvas, diving, cleaning, and any other tasks performed by any vendor. be deemed to include any period of time during which the Vessel is occupying any area of the Marina for a period of time not specifically covered in this agreement, or in the case of termination, any period after this agreement is terminated and the Vessel continues to occupy any area of the Marina. In the event Boat Owner fails to remove the Vessel upon expiration or termination of this agreement, Marina may remove the Vessel and any of Boat Owner's personal property and store the same elsewhere, all at the Boat Owner's expense and without liability to Marina for any loss or damage thereto. The Marina reserves the right to charge for dockage at the marina not to exceed the Marina's normal summer daily transient dockage rates to the Boat Owner should the Boat Owner fail to remove the Vessel upon expiration or Termination of this agreement, even if said holdover continues into the winter period.

All such insurance shall be written by marine insurance companies duly qualified to do business as insurance companies in Massachusetts, and said Policies shall provide that the Marina shall be entitled to at least thirty (30) days notice prior to any cancellation thereof. All insurance covering said Vessel shall contain provisions which deny to the insurer any rights or subrogation against the Marina, and shall provide that the Marina shall not be barred from making claim against said policies by reason of being an otherwise covered party under said insurance, to the extent that the Vessel shall cause damage to facilities or persons at the Marina. A copy of the insurance policy and the vessel registration or documentation shall be provided to the Marina before the vessel arrives.

9. SECURITY

It is agreed and stipulated that the space rental services provided in this agreement do not include a specific type of watchman, guard, or security services, other than the Town of Essex usual police and fire department services supplied to the community at large.
